Sir:

In response to the Notice Of Incomplete Reissue Application ("Notice") dated May 10, 2004, Applicants hereby petition that the above-identified application be granted a filing date of June 30, 2003. A copy of the Notice is attached. The facts related to this Petition are as follows:

1. On June 30, 2003, Applicants filed the above-identified reissue application, including (a) a Reissue Application Transmittal form, (b) a Reissue Application Fee Transmittal form, (c) an Amendment Accompanying Reissue Application, (d) a copy of US 6,255,181 ("the specification and claims"), (e) a Declaration And Power Of Attorney, (e) a Consent Of Assignee To File Reissue Application, (f) a Transmittal Of Information Disclosure Statement, PTO-1449 Form, and 5 references, and (g) a filing fee of \$834.00. A copy of a returned postcard receipt evidencing the filing of these papers is attached.
2. On May 10, 2004, the U.S. Patent and Trademark Office issued the Notice of May 10, 2004. The Notice alleges that items (d) and (e) of paragraph 1 were not submitted by Applicants on June 30, 2003.

As evidenced by the returned postcard receipt, Applicants did submit the specification and claims of the application (i.e., a copy of the patent US 6,255,181 which is the subject of the reissue). Further, Applicants did submit the Consent of the Assignee which also meets the requirements of 37 CFR 3.73(b) establishing ownership. Applicants presume that these papers have been misplaced within the USPTO, and accordingly, copies of these papers are attached.

REQUEST FOR REFUND. The \$130.00 petition fee is submitted herewith. However, upon the granting of this Petition, Applicants request that the petition fee be refunded by depositing the same into the undersigned's deposit account no. 50-0238.

Respectfully submitted,

OH-SUNG SONG ET AL.
